Finally
you've
arrived.

Don't you
think you're
being too
much of a
tomboy?

Hey, prin-
cess
...

What business
does the likes
of a Hollowed
child have
with Faputa?

...

I'm
thinking
the
same
thing...

Nnaa
...

But
y'know,
I can't
just sleep
through
all this.

But could
you leave
this to us?

This isn't a
situation
where I can
say we'll be
able to fix
this...

Sorry
Riko.

Nanachi
...!?

Ahh, I
gotcha
...

Let's go,
Belaf.

Your singular,
and final
audience with
the princess.

SFX: Scrape

Nice to
meet you.

I have a
gift for
you.

Faputa,

SFX: chomp

I always
held
onto it.

I...
During the
time I lost
myself,

Something
precious I
always kept
with me.

SFX: tear

It may
be
meager,
but I'd
like for
you to
accept
it.

to take
everything
from me,

When I
begged
your
mother

it was the only
thing she
wouldn't take.

Because
it was
precious.

I wanted it
to be left
behind after I
was buried.

SFX: dive

She wanted
you to see it,
so she left it
alone.

Now, I
understand
why.

Please

How
much
did you
con-
sume...!?

How
dare you
have
such
length.

You
fool!

Please
accept
this
gift...

SFX: Landing

Shaaan

Wha
...!?

COUGH

Smoke
...!!?

What's
going
on...!?

What
is
this...
!?

Wha...

during my
final
moments.

I am glad
you were
with me

...
!!!
...

a time
will come

where you
decide your
own value
yourself.

At the
end of
your
destiny

Advance
forward
without
fear

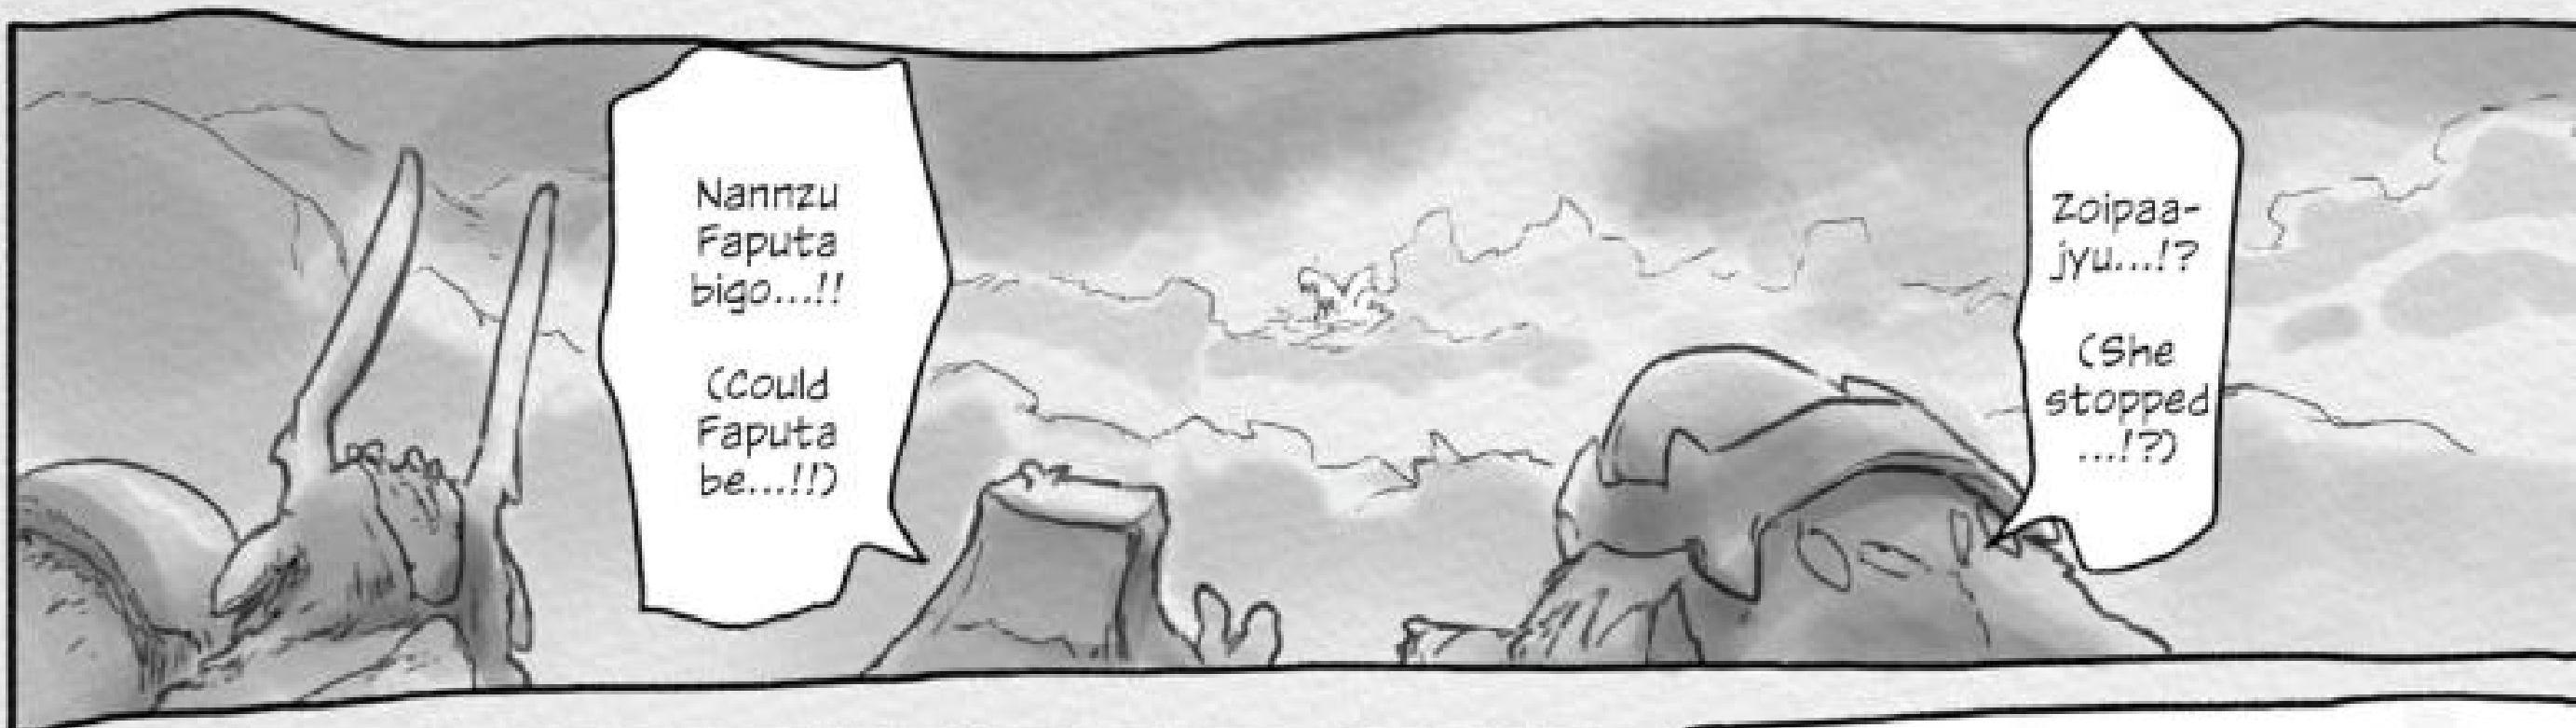

I want
you to

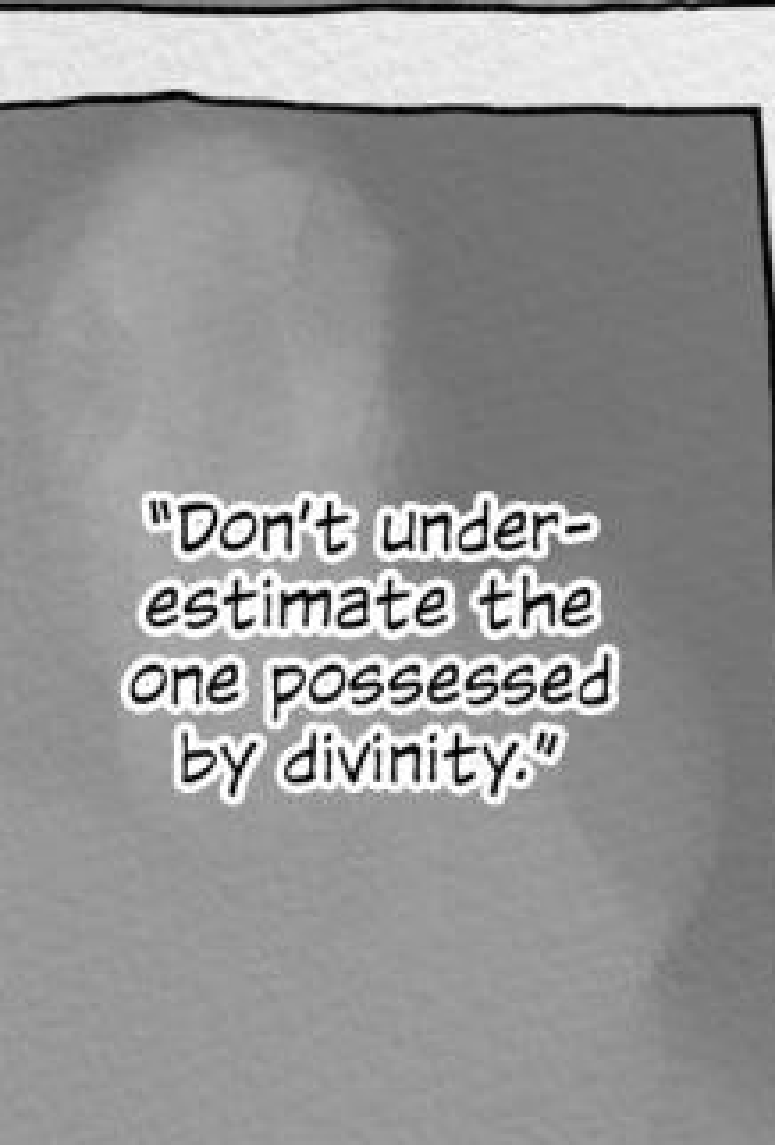

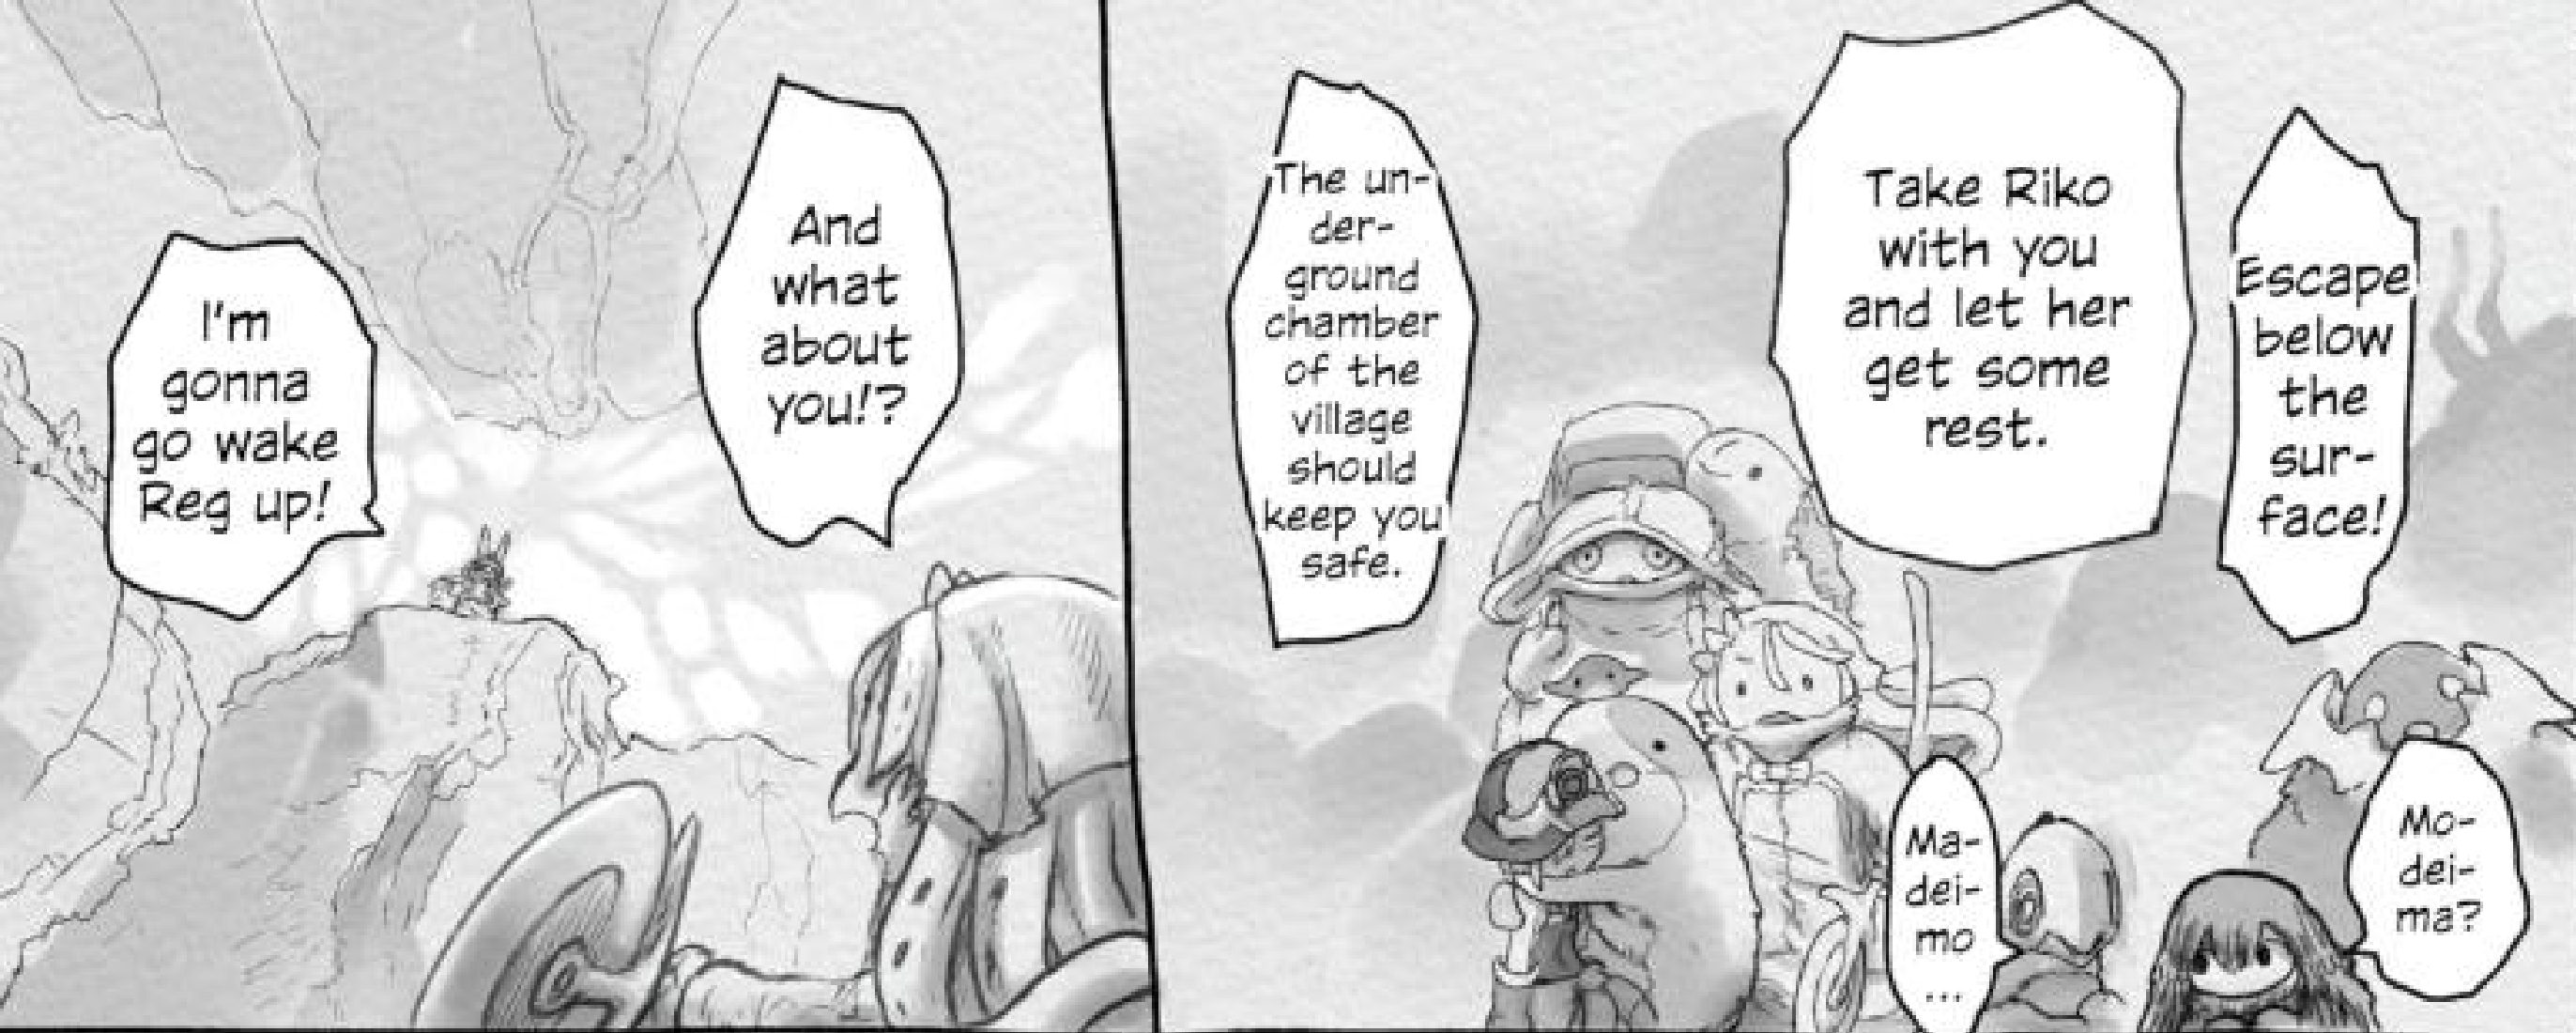

enjoy your
adventure.

What
did you
do...!?

Silence
...!!
You...!!

Those
eyes are
beautiful
...

The current situation was chosen by him.

Belaf told me about him.

And three "Cradles of Greed" reside within the princess.

The "Cradle of Greed", known also as a "Wish-granting Egg."

A manifestation of the power of wishes.

Amongst humans, they are only usable by children.

The conditions have been brought together.

she might give Riko a piece of herself.

such as wanting to reclaim Reg's heart,

the princess might want to help, and for any reason,

If we assume she's on the verge of death,

In the midst of this cacophony, Riko gets hurt.

Let's assume the worst ...

while on the verge of death.

Riko's the only one who would shout "one more adventure"

Riko's the only one...

Riko ...

What does the "Power of Wishes" grant?

An apparatus manifested from a certain seed's "blessing"....!

Riko-ville ...!

Reformed as a force that can challenge the Golden City.

To become beings "superior to humans."

Isn't that what he's trying to achieve?

Am I over-thinking things?

No...

And a man that will do whatever it takes.

He's the one Belaf believes to be possessed by divinity.

ever again.

I won't let him choose that path

I know.

Belaf

...

Oh
no...

SFX: rumbling

With
this,
Faputa
has
learned
who you
are.

That
"smell" is
Belaf's
feelings.

So even if
you go to
her side,
you
shouldn't
get killed.

Me on the
other
hand, I'm
in it real
deep!

What
is...!

Wow, what
a relief,
what a
relief!

A
relief
...!

That's why
this won't be
very com-
fortable,
hang in there.

I've actu-
ally used
up most
of my own
body, so
I'm as
hollow as
they come.

?

For
...
For
what
?

Oh, and
I apolo-
gize,
Vueko.

We don't just "look" like it!

Heh ...

You look just like a mother and her child.

Are these ...

What ...

I can't... Stop...

Faputa is...

Hey, Belaf.

What are ...

You trying to tell me...!!

thinks of you as...

Irunyuui also

A fire.

Of those you've desecrated and consumed ...

The successor ...

Faputa is a fire ...

until
I burn
you all
to cin-
ders.

There's
no way
I'll
stop

SFX: crying

No
So

わあ ああ ああ

Hermit Rabbit: Niiiiiin

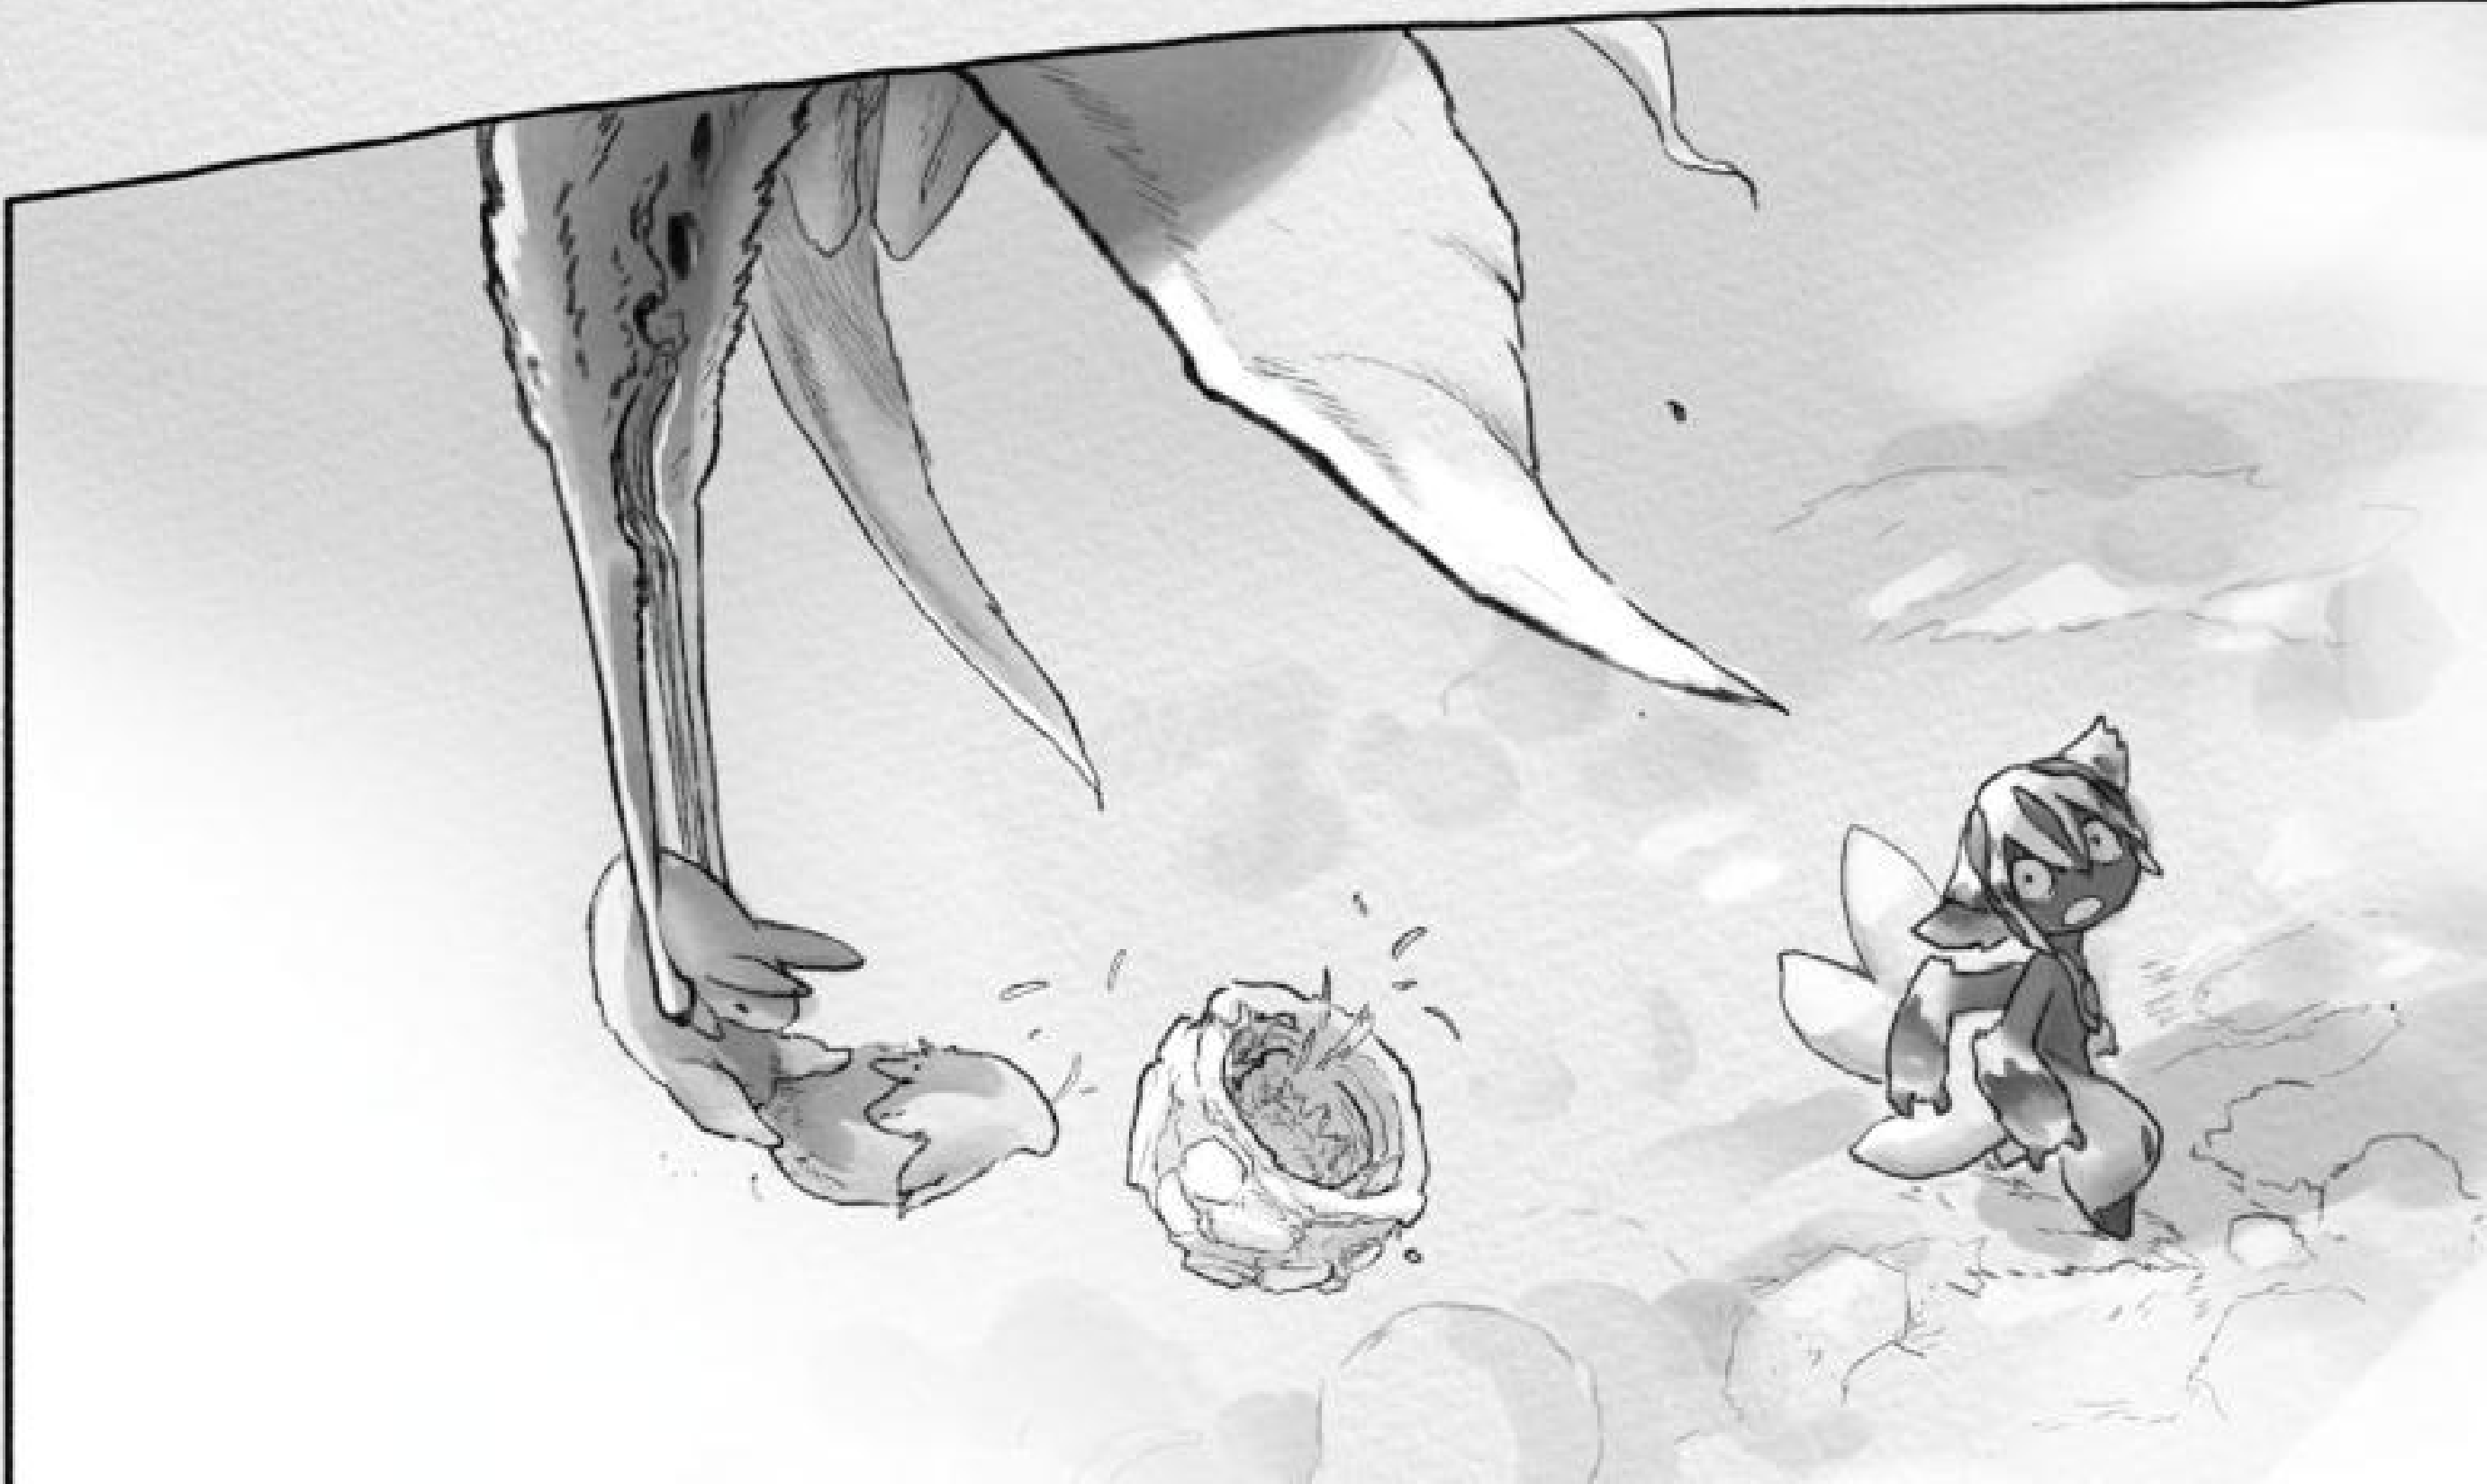

Bu-
kyu

It's dan-
ger-
ous, so
...

You
...

Get
away
from
here
soso
...!

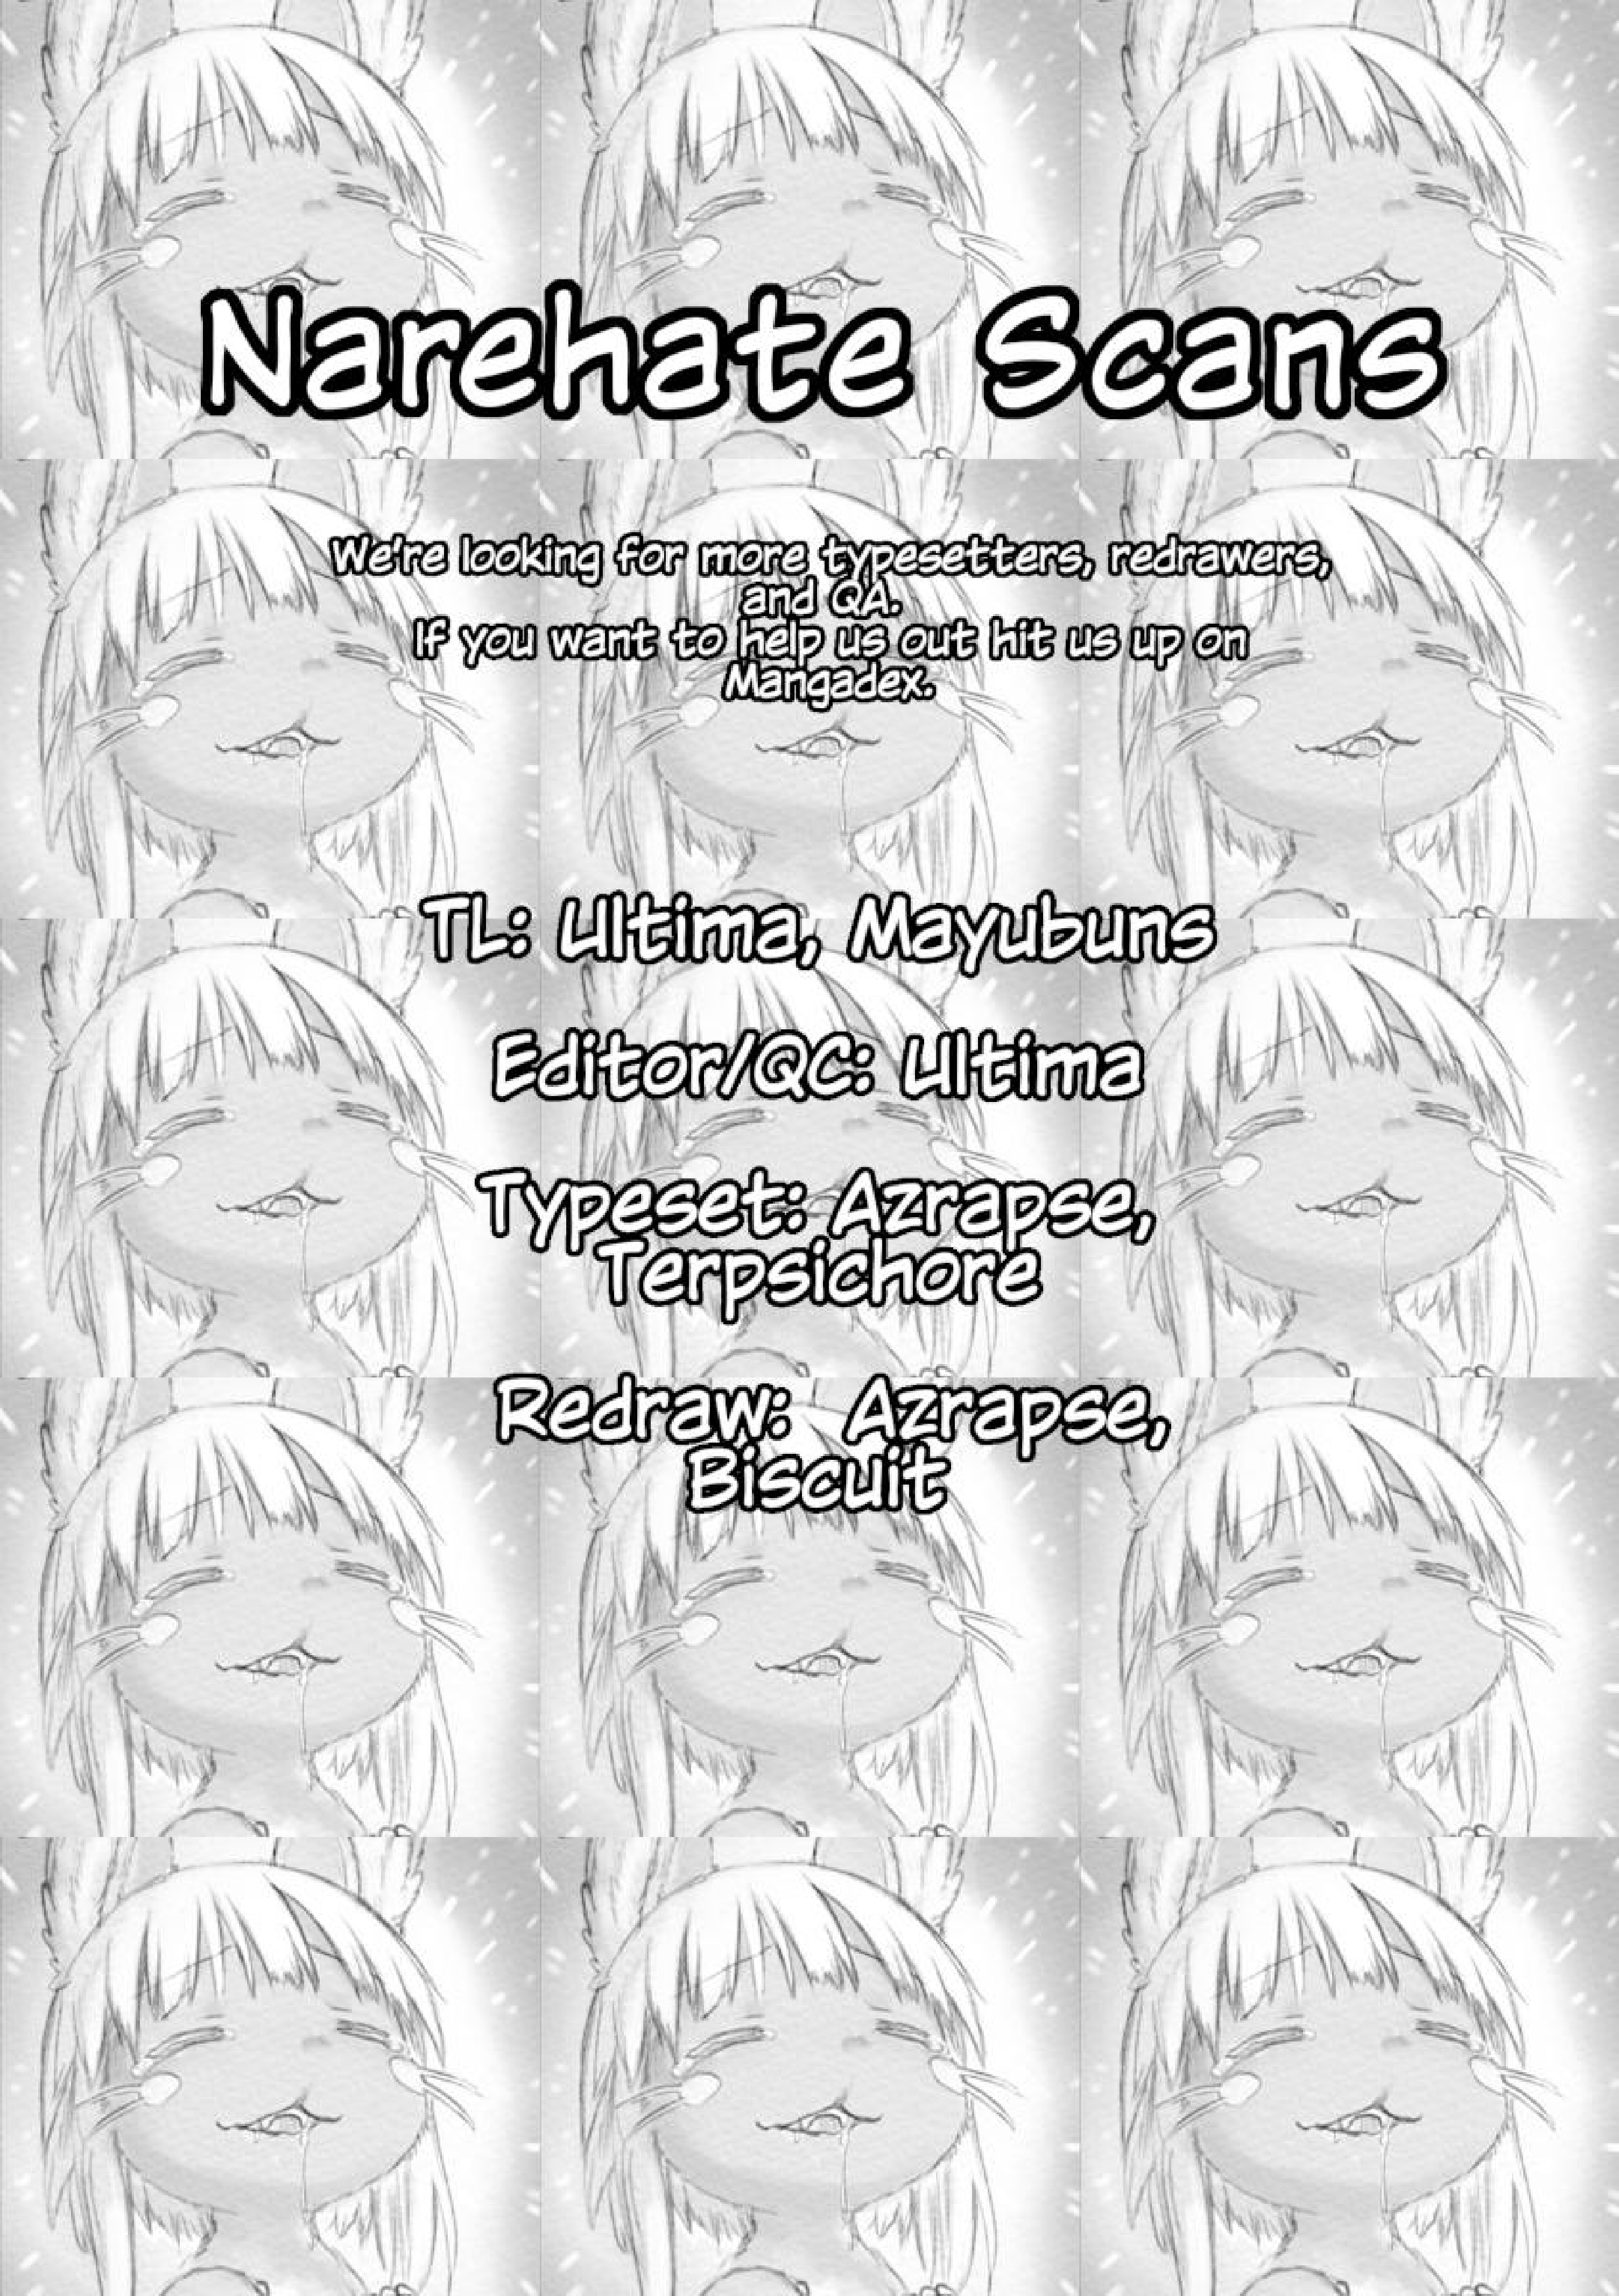

The
rulers
of this
outer
domain.

One of
the
primor-
dial
beings
...

A
ryuu-
sazai
...

This is
bad
...
